

Amin Allahyar

**I recieved
my MSc in
Computer
Engineering -
Artificial
Intelligence
from
[Ferdowsi
University of
Mashhad](#),
Iran. I am also
a member of
the [Pattern
Recognition
Lab](#) led by [Dr
Hadi Sadoghi](#),
working on
Machine
Learning and
Pattern
Recognition.**

**My current
research
focuses on
Online
Semi-Supervi**

**sed
Clustering. I
am looking
for ways to
incorporate
available
domain
knowledge to
clustering
stream data.**

**I am also
interested in
other
clustering
problems
such as
Spectral
Clustering
and Self
Organizing
Maps.**
